

A collection of various mechanical components, including bearings, seals, and rings, arranged in a grid-like pattern. The components are made of different materials, including metal (silver, gold, black) and plastic (white, black). Some are cylindrical, some are flat, and some have internal structures like ball bearings or seals. The components are arranged in a grid-like pattern, with some larger components at the top and smaller ones at the bottom. The background is white.
